WAGGONER CARR
ATTORNEY GENERAL OF TEXAS

SUPREME COURT BUILDING
AUSTIN 11, TEXAS

January 7, 1964

Honorable Lee Rankin
General Counsel, President's Commission
Fourth Floor, Veterans of Foreign
Wars Building
200 Maryland Avenue, N. E.
Washington, D. C.

Dear General:

I am forwarding under separate cover all of the detailed reports of the combined investigations of the Dallas authorities. Attached hereto is an inventory of the items. I am rushing this to you and to the Commission without having had an opportunity to check it for completeness. This office is retaining a copy of everything being sent you. As both of us get into it we can add any supplementary parts that may be needed. There are several tape recordings, television film and microfilm of documents which are being reproduced at this time and these will be forwarded to you in the very near future. At that time you will have a complete report of the investigation conducted by Texas authorities.

We stand ready, of course, to develop further facts when they are presented to us, but as of the present this appears to be a total investigation. All files are remaining open for further investigation and this includes any additional requests you may have for further investigation.

It is our pleasure to continue our cooperation with you and please let me know of what further service we can be. Should you need our personal appearance we will be happy to oblige.

Yours very truly,

Waggoner
